

# COTTON COMBED

The Ultimate Everyday Comfort

Cotton Combed terbuat dari 100% serat Cotton. Kain ini diproses dengan cara disisir menggunakan mesin *combing*, menghasilkan permukaan kain sangat halus dan lembut. Bahan ini mampu menyerap keringat dengan sangat baik dan sejuk saat dipakai.

Cotton Combed cocok dijadikan sebagai bahan dasar kaos berkualitas premium, kaos distro, dan variasi pakaian lainnya.

Cotton Combed aman dicuci menggunakan mesin cuci, namun hindari memeras terlalu keras, penggunaan pemutih kain, dan menyetrika dengan suhu terlalu tinggi agar kain tetap terawat dan tahan lama.
